MEMORANDUM FOR: Director, Program and Budget Staff

25X1 FROM:   
Chief, Legislative Liaison

SUBJECT: List of Items Requested During HPSCI NFIP Overview Hearing  
of 25 February 1986

1. Attached, for your information and action, is a list of material/information requested by the indicated Members of the HPSCI Budget Subcommittee during our hearing this past Tuesday. I have gone over this list with Marty Faga of the Committee staff. He indicated that some of these items (which are asterisked) will be handled through Questions For the Record, which are also attached for your action.

25X1 2.  will do the point paper requested by Rep. Daniel. We already have the paper on "successes and failures" requested by Rep. Cheney (which is also requested in Question 12 of the attached QFRs). Recommend that CIA's Office of Congressional Affairs handle Mr. Stokes' question on the DCI's Legislative Agenda, and we can contact them on this one if you want. Please let me know.
